MESSAGE FROM IAYP-TR ALUMNI GÖKHAN GÜNEŞ

The Award Programme, which I met thanks to TİKAV Individual Development Programme, leaves unforgettable traces in my heart as one of the most special memories of my life. This experience has had a great impact on my personal development as well as inspiring and supporting my career. The Award has pushed me forward in communication, being proactive, leadership, management and teamwork in my field of expertise and in my professional life. Post-graduation, I am proud to be involved in active roles such as Award Leader and the Alumni Group Executive Committee to take the Award even further, giving me the chance to help young people step into a sustainable future.
