MESSAGE FROM ADVENTUROUS JOURNEY COORDINATOR

Dear Award Family,

We have completed the first term of 2024 in the Adventurous Journey Section of The Award with great joy and success. It was very gratifying for us to witness your enthusiasm and efforts, and to see your commitment. We are proud to get to know you and see your achievements.

Dear participants, we are increasingly feeling the global negative impacts of the climate crisis every day. During this critical time, our primary duty has been to prepare you more robustly for your future. The Award, and particularly the Adventurous Journey Section, is a very special part of the programme that provides you with the experience of understanding the dynamics of nature, meeting the last examples of millions of years of biodiversity, existing as a team, supporting each other, and sharing. Seeing the meaningful values that these qualities of the Adventurous Journey Section have added to your existing skills over the years has been a great source of motivation for us. We are already very happy to see you as qualified, strong individuals who will be needed in our country and for all of humanity in the near future.

Congratulations on your discipline and effort in The Award, and I wish you continued success. May beauty and goodness be with you.

Dr. Hakan ÇALIŞKAN

English Supervisor Training

The Supervisor Training sessions, hosted by Vecihi Hürkuş Havacılık ve Teknoloji Parkı and Ted Rönesans Koleji, provided valuable information by preparing our candidates for Adventurous Journeys. As a result, the candidates will be well-prepared for any situation they may encounter in the field and will be able to share their experiences with the participants.

XVI. ACTIVE AWARD LEADERS AND VII. ACTIVE SUPERVISORS MEETING

We gathered with over 200 participants at the International Award For Young People-Türkiye XVI. Active Award Leaders and VII. Active Supervisors Meeting held at Fethiye Letoonia Club&Hotel! At this magnificent event, we presented plaques to our volunteers, who are the cornerstone of The Award, to honor their years of dedicated effort.

Additionally, we had the pleasure of hosting the esteemed author, Fatma Gürel, who shared her experiences with us and signed her books. It was an inspiring meeting that motivated us with every word!

The highlights of this year was celebrating the 25th anniversary of the Türkiye Human Resources Education and Health Foundation (TİKAV) and the 20th anniversary of the International Award For Young People-Türkiye (IAYP-TR). We joyfully celebrated these significant milestones together!

We received valuable feedback from our volunteers regarding the sustainability of our programme and our relationships with Alumni. With this feedback, we are ready to strengthen and take new steps!

Over the meeting of two days, we organized numerous activities to foster bonding and sharing. We enjoyed a pleasant time in an atmosphere where new friendships and collaborations blossomed.

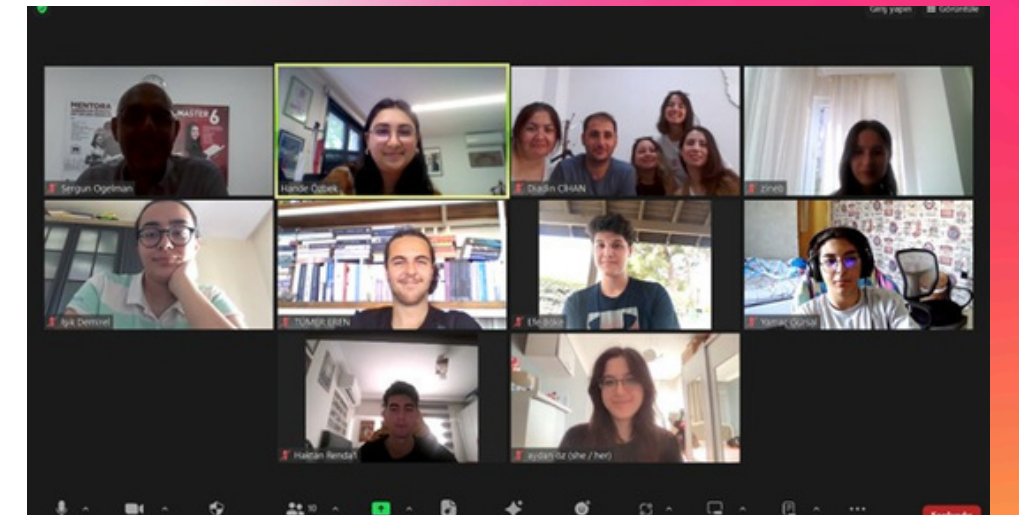

We thank everyone who participated in this wonderful event! We believe that together we will reach more young people and volunteers.
